

EXIT TICKET - LESSON 1

NAME: _____

DATE: _____

STANDARD: _____

1. What message did Tessa Allen convey by including images of ants in *Sometimes People March*?

- a. All creatures engage in activism, including ants.
- b. Just like ants, people march in straight lines when resisting.
- c. Ants are small and powerful creatures.
- d. Like ants, people don't march alone. We are stronger together.

2. Which quote from the book best captures a main idea of *Sometimes People March*?

- a. "People march for the health of their bodies and their communities and the world."
- b. "Sometimes people carry signs to share their stories of resistance."
- c. "People march for many reasons."
- d. "Sometimes from feelings of fear or anger or injustice comes the hope for change."

3. Tessa Allen includes this drawing in her text. For which movement would this sign have been used?

- a. Women's March, 2017
- b. Global Climate Strike, 2018 - Present
- c. Delano Grape Boycott, 1960s
- d. Immigration rights protests, 2016 - Present
